

Contributor License Agreement

Thank you for your interest in the JoySafety (<https://github.com/jd-opensource/JoySafety>) of JD.com ("JD"). This Contributor License Agreement ("Agreement") is agreed by the party signing below ("You"). You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the JD.

"Your Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally and specifically submitted by You to JD for inclusion in the Project, or for documentation of any of the products making use of the Project owned or managed by JD (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to JD or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, JD for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

"You" (or "Your") shall mean the copyright owner or legal entity authorized by the copyright owner that is making this Agreement with JD. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

You hereby grant to JD and to recipients of software distributed by JD a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright and patent license to Your Contribution(s) and the right to sublicense

such rights. This license covers rights necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work. You agree to be legally bound by the open-source license.

You guarantee that you are legally entitled to grant the above license. And if your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer, or that your employer has waived such rights for your Contributions.

You represent that Your Contribution submission(s) does not infringe any third-party rights (including but not limited to copyrights, patents, trademarks, and other intellectual property rights) of which you are personally aware and which are associated with any part of Your Contributions.

You agree to notify JD of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
